*President's Council

Dear Friend,

Big Brothers Big Sisters of Ventura County (BBSVC) has been helping youth in Ventura County and neighboring communities realize their potential for 45 years. Facilitating some 1,500 one-to-one mentoring relationships annually between adult or school-based volunteers and youth ages 6-21, BBSVC makes a BIG measurable improvement in the lives of the youth participating in our programs. BBSVC Little Brothers and Sisters:

- improve their school performance
- get along better with their families
- are more likely to avoid drugs and alcohol
- build confidence in themselves and their future

Not everyone can volunteer to mentor a child, but everyone can help make a BIG difference. I invite you to consider a gift to our **8th-annual luncheon, Bags, Bling & Bubbly**. In November, this special event will attract a capacity crowd of philanthropically-minded supporters — with impeccable style and taste! — and celebrates our many successes, helping secure the future of our programs. As a participating event donor, you can join leading residents of our Ventura County community and numerous business vendors offering outstanding products and services to our bustling auction and in-house boutique, and make a BIG impact helping local youth facing adversity.

Sponsorships, program advertisements, auction donations and other support will make Bags, Bling & Bubbly a BIG success. Please contact Rene' Solem, BBSVC Director of External Affairs at rsolem@bbsvc.org or 805-603-4938, if you would like any additional information about sponsorship packages and other opportunities to participate. BBSVC is an independent 501(c)3 nonprofit organization that depends on private donations for most of its funding.

Thank you for your consideration. Big Brothers Big Sisters of Ventura County offers BIG appreciation for helping support our work which enables children to succeed in school and reach their potential. We couldn't do it without you!

Sincerely,

Diane Sabol
Bags, Bling & Bubbly Event Chair
