Big Brothers Big Sisters of Ventura County (BBSVC) has been serving youth throughout the region for over 50 years. We are the only mentoring program of its kind, designed to assist local youth in succeeding in school, staying away from drugs and gangs, and pursuing their individual goals. BBSVC matches a carefully-screened, caring volunteer with a local child who is usually from a single-parent household or a foster group home, and helps develop a friendship that inspires these "Littles" to achieve their potential. In 2020, with the help of our sponsors, donors, and volunteers, we served over 1,000 children each week.

We would like to ask for your assistance with a donation for the upcoming *Big Brothers Big Sisters of Ventura County Golf Classic*, to be held on Monday, October 11, 2021 at the **Moorpark Country Club**. The funds raised from this prestigious annual event allow BBSVC to screen applicants, train volunteers with a focus on child safety, and grow our programs across the county in more schools and neighborhoods.

We thank you in advance for reviewing our request and have enclosed a donation form for your use. It is only with the support of generous business leaders and individuals like you that we can raise the funds necessary to serve the local youth facing adversity who are waiting to be matched in a professionally-supported one-to-one mentoring friendship.

Your gift will make a BIG impact in changing a child's life for the better, forever.

BIG thanks in advance for your generous consideration.
Sincerely,

Omead Jafroodi
